Docket No. 1403

Inventor: Samuel Moon-Ho Song

Dear Examiner or Whom It May Concern:

I am the attorney of record for the above-mentioned application.

During my recent checking of the docket, I discovered that the required response to the Notice of File Missing Parts might not have been filed despite my belief that it was filed. If it has been filed in the patent office, it is my good faith belief that the delay was unintentional.

To immediately correct the deficiency, I enclose:

- (1) Notice to File Missing Parts to be returned with the response
- (2) Declaration of Inventor for the missing part
- (3) Balance due by applicant of \$65 by check

Also enclosed is a petition for extension of time under 37 CFR 1.136(a) (five months) accompanied by a check of \$980 for small entity.

Thank you very much for your kind attention.

Sincerely,

Chung K. Ko
